Amtrak CEO Stephen Gardner Statement on 2022 Northeast Corridor Project Inventory

WASHINGTON – "These projects will deliver the modern infrastructure needed to improve the reliability and performance of train travel throughout the Northeast and establish a pipeline of critical future improvements projects. We appreciate Administrator Bose's and Secretary Buttigieg's leadership in developing this inventory and look forward to working with our partners to pursue future USDOT grants, including those provided by the Bipartisan Infrastructure Law, to advance the projects listed in the inventory."

About Amtrak®

For more than 50 years, Amtrak has connected America and modernized train travel. Offering a safe, environmentally efficient way to reach more than 500 destinations across 46 states and parts of Canada, Amtrak provides travelers with an experience that sets a new standard. Book travel, check train status, access your eTicket and more through the [Amtrak app](#).
