Auto Train Sale Offers Florida Fares as Low as \$34 + Vehicle

Discounts on spring travel from the Northeast available until March 28

WASHINGTON – Amtrak is launching a limited-time sale for travelers to skip the stress of I-95 to Florida in favor of a convenient and relaxing trip aboard the [Auto Train](#). Through March 28, 2024, customers can book Coach Class for as low as \$34 or a First Class private room for as low as \$235, plus the cost of a vehicle. For those traveling with the whole family, fares for kids aged 2-12 start at just \$17.

Customers traveling in Coach Class enjoy wide, reclining seats with plenty of legroom, no middle seat and a large window to enjoy the view. Prior to arrival, a complimentary continental breakfast is served.

For extra comfort and additional privacy, travelers can upgrade to a First Class private room. Accommodation options include a [Roomette](#)—featuring two comfortable seats that transform into upper and lower beds by night—or a [Bedroom](#) offering twice the space of a Roomette as well as an in-room sink, restroom and shower. All First Class customers receive priority boarding, a dedicated attendant and [complimentary meals](#) onboard.

One-way fares are available as low as:

Limited Time Fares*	Adult Fare	Kids Fare**
Coach Class	\$34	\$17

*Plus the cost of a vehicle

**Kids aged 2-12

Limited Time Fares*	Single Occupancy	Double Occupancy
Roomette	\$235	\$335
Bedroom	\$435	\$535

*Plus the cost of a vehicle

This offer is valid for sale from March 20 – 28, 2024 for travel April 8, 2024 – June 30, 2024. The discount is available for southbound travel only from Lorton, Va., to Sanford, Fla. Other restrictions apply. To see full details and book, visit [Amtrak.com/AutoTrainSale](https://www.amtrak.com/AutoTrainSale).

The Amtrak *Auto Train* offers daily, non-stop service between Lorton, Va. (near Washington, D.C.), and Sanford, Fla. (near Orlando). Customers can travel with several types of vehicles—including cars, vans, SUVs and motorcycles. This train is the only such service in the U.S. and eliminates nearly 900 miles of driving between the Northeast and Florida.
